DEAR MR./MRS. PRESIDENT,

The FISM ECM Saint-Vincent European Magic Championship (May 23/26, 2024) is close and it does not hurt to remind you again of these important points:

FISM ECM SAINT-VINCENT 2024

The FISM European Championship of Magic FISM ECM Saint-Vincent (23/26 May 2024) is close and we must take into account these very important points:

- *Sign up now and you will have many advantages. Take a look here: [ECM FISM ITALY 2024 - FISM](#)*
- *We remind all European Presidents that the deadline to submit their list of contestants (with the signed application form and necessary endorsements as specified in the FISM ECM competition rules) is 15th March 2024.*
- *We also remind all presidents who sign endorsements for contestants of their responsibility*

to ensure that the contestant in question has the appropriate FISM level to face the competition. We remind you that according to the Art 1 competition rules, contestants who are disqualified or whose final score is below the FISM level, their presidents may be sanctioned without being able to sign guarantees again within a period of three years.

- *Presidents whose association is not up to date with payments to the FISM (international and European) cannot endorse any contestant.*
