EUROPEAN EXECUTIVE BOARD

President: Andrea Baioni

Vice President: Xavier Tapias

Secretary: Priska Walther

Executives: Christina Nyman – Eberhard Riese

We are pleased to inform you that an opening and closing ceremony is being organized in Saint-Vincent. At the Opening Ceremony, there will be a PARADE of CONTESTANTS by COUNTRIES accompanied by a President or Delegate of each country, bearer of the flag. For a perfect display of this opening, we invite you to prepare your respective teams in the most appropriate way possible.

- Inform the FISM ECM 2024 organization in advance who will be the Delegate of your country.
- We recommend that, to make the parade more attractive, each team (country) prepares a type of clothing (t-shirt, cap, sweatshirt, etc.) that clearly identifies the country they represent.
- We recommend that you inform all your contestants of this parade, so that they are prepared on the day and time that will be communicated to them later.
- The flags with their banners will be provided by the event organizer.

AWARD CEREMONY

At the FISM EUROPE Awards Ceremony, we take care to give the maximum enhancement and glamor that this occasion deserves. But we also need the collaboration of the Presidents and Delegates of each country so that they communicate to their team of Contestants that they must take special care of their image in this ceremony. It is recommended to dress appropriately to go on stage to collect the prizes. It is not necessary an strict formal dress, but it is necessary to avoid going on stage in inappropriate clothing with shorts, t-shirts, etc. Everyone likes to have a good photograph of the official moment of the award ceremony! Therefore, the image of each contestant is essential for their future as a magic star.

COMPETITION ORDER ASSIGNMENT SYSTEM

At FISM and therefore, FISM Europe, we are working to offer a transparent system for assigning the order of contestants. For this purpose, an order assignment of contestants by Categories and Specialties is being prepared. Shortly, (after 03/15/2024 once the official list of contestants is published) an online draw will be held that will establish the order of contestants according to their category and specialty.

We will soon inform you of the day, time and link for the live connection of this draw, through the FISM Europe social networks (Facebook, Instagram).

ANDREA BAIONI RESIGNS FROM HIS POSITION AS PRESIDENT OF FISM EUROPE

We inform you that our current President of FISM Europe, Mr. Andrea Baioni, presents his resignation as European President of FISM in order to be able to fully dedicate himself to his work as International President of FISM. This resignation will take effect during the next Saint-Vincent Assembly.
