

DEAR MR./MRS. PRESIDENT,

The time has come to present the list of candidates for the FISM World Championship of Magic – 2025. The task is not easy and we at FISM EUROPA want to help all the contestants and presidents to have everything ready before the deadline, March 15th, sharing with you some useful information.

CONTESTANTS – ARRIVAL AT TURIN ON 11TH

FISM WCM 2025 has been scheduled to take place in Turin, Italy, from 14th to 19th July, 2025. But according to the WCM 2025 official website, **all competitors must be ready and available for rehearsals starting on Saturday, 12th July, at 8:00 am.** Therefore, it is strongly recommended that everyone arrives in Italy on the evening of 11th July.

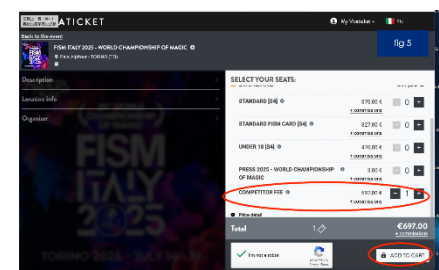

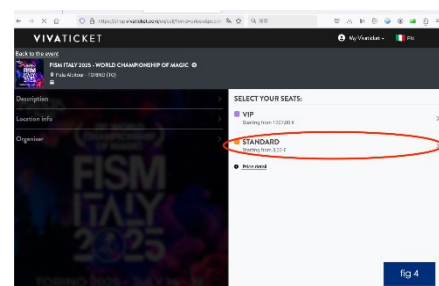

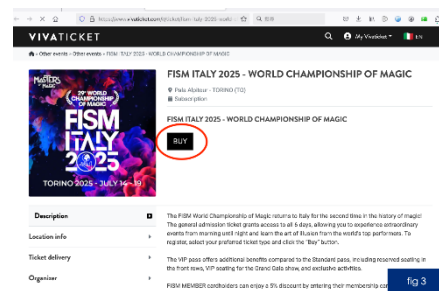

Competitor rehearsal slots are assigned by random draw, and it is absolutely not possible to change the assigned day or time. **If a competitor is unable to attend their scheduled rehearsal, the slot cannot be rescheduled at any other time.**

You should therefore schedule your travelling plan carefully. Arrival on 11th July, 2025.

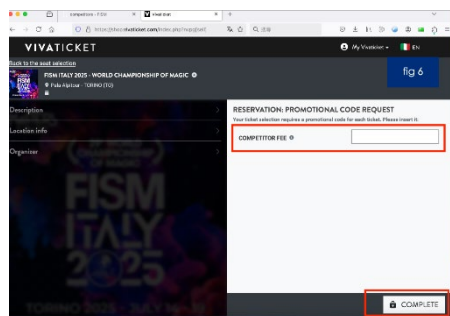

HOW TO GET YOUR REGISTRATION NUMBER

Please note that you have to put in your **Registration Number** in the Contest Application Form (see Figure 1 below). To obtain your Registration Number, please take the following steps:

2. The Organizer should then forward you a competitor special code ("**Promotional Code**"). This Promotional Code is unique to each WCM Contestant.
3. Now you start registration online. You go to [website](https://www.vivaticket.com), and commence your WCM 2025 ticket registration as a Competitor. Go to "**BOOK NOW**" on the web page. This will bring you to VIVA TICKET Website (see figure 3). You then press "**BUY**"
4. Go to the Buy-page (figure 4), find "SELECT YOUR SEATS" and select "STANDARD"
5. The box will appear on the screen (figure 5). Select "1" for Competitor Fee and tick the "Robot Box". Then press "**ADD TO CART**"
6. Another box will appear on screen (figure 6). You will see "**Reservation: Promotional Code Request**". Please insert the **Promotional Code** as described in Step (2) into the Box. Then press "**Complete**", and continue registration process
