Dear Mr. / Mrs. President

It is with deep regret and sadness that I write to you to inform you of the sad passing of our dear friend and colleague, Eberhard Riese.

"Ebs", as he was affectionately known among friends, was not only a magical genius, but also a humble, charismatic person and a tireless worker committed to the art of magic.

His dedication and passion transcended the stage, inspiring generations of magicians to pursue excellence and innovation in every performance. His devotion to the world of contemporary magic has left an indelible mark on all of us.

On behalf of FISM European Executive Board who had the privilege of knowing and working with Ebs, we extend our sincere condolences to his family and loved ones.

The magic community has lost a figurehead and a friend, but his legacy will live on in each of us through the magic we perform.

With deepest condolences and solidarity,

FISM Europe President
