FISM ITALY 2025 - Revolution

- Xavier Tapias FISM Europe President

By the time you receive this newsletter, the largest and most prestigious magic event will be just a few days away: The FISM World Magic Championships. Led by Walter Rolfo in the beautiful city of Turin, with a breathtaking program the elite team of Masters of Magic have prepared an absolutely REVOLUTIONARY world championship. We toast the success of this event and eagerly await the WORLDWIDE reunion of all the magic lovers who are part of our Federation. Welcome to the FISM World Championships in Italy - 2025.

I would like to take this opportunity to publicly thank FISM and MoM for their outstanding cooperation, through their entire team, and especially their director Walter Rolfo, artistic director Mario Baldantoni, technical director Davide Allena, and the invaluable support of Angela Signoretti, Giulia Zurro, and Franco Silvi.

I wholeheartedly wish you a high-level event and, above all, an exceptional World Championship. My best wishes and deepest admiration for each and every one of the contestants from around the world, and especially for all the contestants from the European continent!

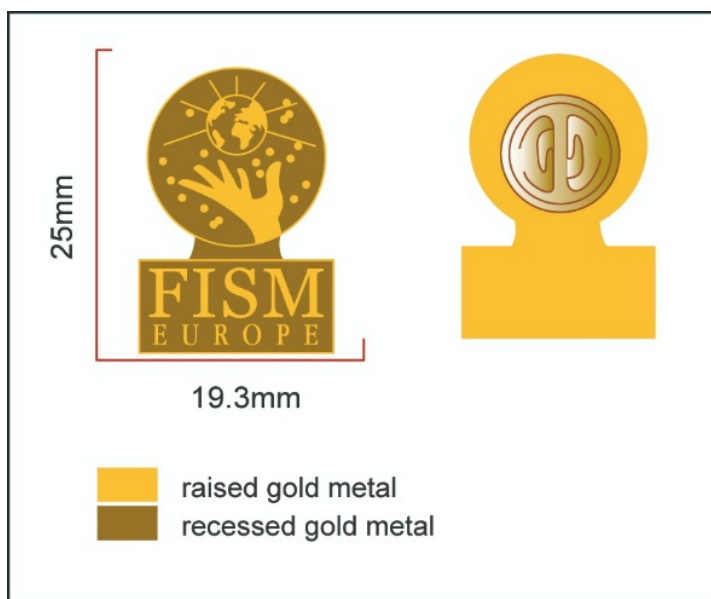

FISM Europe – Special Edition of the Continental Pin.

Xavier Tapias – FISM Europe President

I am pleased to inform you that a pin specific to the European continent of FISM has been created.

During the FISM WCM in Italy – Turin, we will have the new pin at the FISM booth and **will distribute a free pin to each FISM-affiliated European Club President.** These pins will be presented in person to each President, or if they are unable to attend, to a designated member of their Club.

The FISM Europe special edition will also be available for purchase at the FISM stand during WCM for €10. (These will not be sent by mail, and payment will only be accepted in cash.)

FISM ECM 27

- FISM Europe

During the WCM in Turin, at the FISM booth you will find information about the upcoming FISM ECM (European Championship of Magic), which will be held in Manresa, Spain, from July 7th to 11th, 2027, organized by GENI.

In the FISM booth you can register for the FISM ECM with a particularly attractive rate.

Don't miss the opportunity to sign up for the most important event on the European continent!

Official FISM Ceremonies

We remind you that the Opening Ceremony and the Awards Ceremony at FISM ITALY'25 must reflect the enthusiasm, passion, and dedication of all participants, and especially of all the contestants.

For all these reasons, we recommend that each country prepare appropriate TEAM attire for the inaugural parade. Prepare your flag bearer and follow the Organization's instructions for a beautiful and moving Opening Ceremony.

For the Awards Ceremony, **it is highly recommended that all contestants dress appropriately** to look great on stage and for the required photos and videos.

SEE YOU AT FISM ITALY'25!
